

MASTER GARDENER FOUNDATION KITSAP COUNTY CONFLICT OF INTEREST STATE

The standard of behavior of the MASTER GARDENER FOUNDATION KITSAP COUNTY (MGFKC) is that all Board and committee members avoid conflict of interests between the interests of MGFKC, on the one hand, and personal, professional and business interests on the other. This includes avoiding potential and actual conflicts of interest as well as perceptions of conflicts of interest.

I understand that the purpose of this Statement is to protect the integrity of the MGFKC decision-making process and the community's confidence in the integrity of the MGFKC members and Board.

Upon election or appointment I will make a full written disclosure of interests and relationships known to me at this time, that could potentially result in a conflict of interest. This written disclosure will be kept on file and I will update it as appropriate.

During the course of Board meetings or activities, I will disclose any interests in a transaction of decision where I, my family and/or any significant other, employer or close associates will receive a benefit or gain. After disclosure, I understand I will not enter into the discussion nor will I be permitted to vote on the question.

I understand that this Statement is meant to supplement good judgement and I will respect its spirit as well as its wording.
