

The Master Gardener Foundation of Kitsap County

2011 Membership

For Current Kitsap Master Gardeners Only -- Voting Membership

Like the roots of a tree, our foundation supports Master Gardener activities in Kitsap County. We not only sponsor our own seminars, tours, and plant sales, we fund community gardens and many other educational and volunteer activities across the county. Foundation membership is not required for any participation as a local Master Gardener volunteer, and Foundation membership duties are separate from any obligations to the WSU Master Gardener Program of Kitsap County. Any current Kitsap Master Gardener in good standing is invited to join as a voting member. Per UDHR 20:2 you must declare your intent to join. A member will remain a voting member as long as as he/she completes annual Master Gardener qualification requirements.

It's a way to give more and get more.
The cut-off date for voting and board eligibility is May 15.
