

GOT PLANTS FOR 2018?

The annual MGFKC plant sale is the primary fundraiser for the WSU Kitsap County Master Gardener Program. The sale's proceeds pay for the seeds and tools used at MG demonstration gardens (which grow thousands of pounds of produce for our local food banks each year), the MG children's programs and the reference materials at MG Farmers' Market clinic booths.

WE WILL BE SEEKING DONATIONS OF PERENNIALS TO SELL THAT ARE HEALTHY AND WELL-ESTABLISHED PLANTS IN ONE-GALLON POTS THAT WILL BE APPEALING TO PURCHASERS IN EARLY MAY.

Our customers generally do not buy flowering plants unless they know the color of their flowers, so please ensure that you have marked the flower color of any donated plant.

OUR WISHLIST INCLUDES (but is not limited to):

Ornamental Strawberries	Black-Eyed Susans	Hellebores	Beesias
Black Mondo Grasses	Daylilies	Heucheras	Bergenias
Jack-in-the-Pulpit Plants	Stonecrops	May Apples	Brunneras
Japanese Forest Grass 'All Gold'		Saxifrages	Trilliums

Hostas (all are wanted, but dwarf, blue, lime & variegated are extra-appreciated)
unpotted Dahlia tubers with the flower color marked by felt pen on each tuber

We also are seeking interesting and unusual plants that grow well in our area for our "Plant Collector's" table.

WE DO NOT WANT:

Trees, Shrubs, Most Groundcovers, Winter-Dormant Grasses or Houseplants
Tulips, Daffodils, Hyacinths, Bluebells, Scillas or Other Spring-Flowering Bulbs
Huckleberries, Raspberries, Marionberries or Blackberries

Arums	Loosestrifes (<i>Lysmachia</i>)	Bachelor's Buttons (<i>Centaurea</i>)
Mahonias	Money Plants (<i>Lunaria</i>)	Comfreys/Borages (<i>Symphytum</i>)
Persicarias	Toad Flaxes (<i>Linaria</i>)	Evening Primroses (<i>Oenothera</i>)

Anything on the Kitsap noxious weed list [www.nwcb.wa.gov/pdfs/Kitsap-County.pdf]

CONTACT INFO:

If you plan to donate perennials, please let us know at MGFKC.Perennials@gmail.com.

MGFKC.GrowingPlants@gmail.com is the contact e-mail for people who would like to donate vegetables, herbs or annuals.

If you are interested in having the Salvage Team come to your house next fall (Sept-Oct 2018) to gather plants for the 2019 sale, contact MGFKC.PlantSalvage@gmail.com.
